

Charter schools are located near high-performing ISD campuses, not just D & F schools.

Data from Texas Education Agency, US Census Bureau, Legiscan, and Geocodio. 9,048 campuses are represented. 531 JALC (25%) and JALC (25%) campuses are excluded. 8,480 have regular instructional settings, and 568 have alternative instructional settings. 8,310 of the regular instruction campuses are currently active. 2018-2019 was the last year A-F ratings were assigned. 7,935 campuses were active that year and have accountability ratings.

Note the map scale.
